Tweegy is the simplest transfer chair ever designed.
Small, slot-in and very simple to use, Tweegy is the solution that facilitates your transfers and eases the organisation for all. Having visited more than 50 health establishments, Promotal concentrated on designing a transfer chair adapted and adaptable to the needs of both staff and patients. Entirely configurable and accessorizable, the Tweegy evolves and will evolve with your needs! **Tweegy, make it easy!**

TWEEGY TRANSFER
CHAIR WITH B5 BOTTLE
HOLDER INCLUDED

## ERGONOMY

- Easier handling with accessories directly integrated into the chair
- No need to lean down thanks to action zones placed in the correct places
- Seat back and seat recline designed for optimal patient comfort
- Vertical handles for all morphology types
- Centre of gravity to the rear for easier manoeuvring

## ECONOMY

- Stackable enabling space gains of up to 48%
- Versatile product thanks to a wide range of accessories that can be added now or later
- Eco-responsible chair that can be transported dismantled (volume divided by 2 for transport)
- Development in collaboration with a team of designers for a timeless aspect
- Solid, durable materials
- Non structural upholstery (available as an accessory)

## SAFETY

- Simple, fast identification by service (by colours or letters)
- Intuitive braking system
- Perfect hygiene thanks to flat or tubular surfaces that avoid dust retention
- Removable foot and arm rests for simple access and exit
- Ease of access and exit from the chair thanks to the 52cm seat
